General Guidelines

1. This accreditation that is given remains the property of the **Guyana Motor Racing & Sports Club** and can be revoked at any time should the holder be deemed to be in breach of the rules of the club or race day authorities.
2. The holder of the accreditation will be permitted entry as specified by their badges.
3. The accreditation is non-transferable, and permits ONLY the user access to the facility, not additional persons.
4. The **GMR&SC** reserves the right to deny accreditation to 'hobby' photographers or bloggers on the grounds that media spots are limited to those publications who are known operatives in the media.
5. The **GMR&SC** will not be responsible for those who do miss the aforementioned deadline and reserves the right to deny media passes.
